

Born: 1947

Birthplace: Alenxandria, MN.

I was born and raised in Alexandria, MN., until after graduation in 1965, that was when I was drafted into the service and joined the Air Force. After the service my wife Eva and I moved to Colorado.

We went back to Minnesota and purchased 1969 Panther and a 1972 lynx. I raced them throughout Colorado for some time with Greg Channel.

In 1973 a friend and went to Canada and purchased 2 Alouettes and I raced it until 1985 throughout Colorado and Wyoming.

In 1995 my brother Dell and I had Hoky Motorsports shop in Golden, Co. We had an Artic Cat dealer ship. That is when my son Jason and daughter Becky Hoky got into Sno Cross racing, which was sponsored by Artic Cat out of Minnesota until 2008.

Soon after went to vintage racing with XMR, with old Arctic Cats. My grandkids started racing at young age. Now I have my other daughter Ann racing along with 5 grandkids.

In the race season of 2017 they will all be vintage racing and I will be racing again also. I have made 2 Allouette clones.
